Remember! At the Submission stage of Plan preparation which is the next stage after this, you will be asked to say whether you agree that the plan is legally compliant and sound, and if not, why not. The tests for legal compliance and soundness are contained in PPS12 paragraphs 4.50 to 4.52. Briefly they are:-

- The Plan has been prepared in accordance with the Local Development Scheme, the Statement of Community Involvement and the Regulations;
- The plan and its policies have been subjected to Sustainability Appraisal;
- The Plan is consistent with national planning policy and in general conformity with the regional spatial strategy for the region and it has properly had regard to the joint authorities’ Community Strategies;
- The strategies/policies/allocations in the plan are justified in that they are founded on a robust and credible evidence base; and are the most appropriate strategy when considered against the reasonable alternatives
- The strategies/policies/allocations in the plan are effective because they are deliverable, flexible and can be monitored.

Please note that your comments will be made available for public inspection and therefore cannot be treated confidentially
